## 1/6 Cliffhanger High Performance Clear Body: SCX6 Overview

OPTION

Introducing the Cliffhanger High-Performance Rock Crawling competition body from Pro-Line that was developed specifically for the SCX6!
Scale competition crawling is a growing part of the overall rock crawling movement and Pro-Line's Cliffhanger body provides everything that these competitors have been asking for.
The Cliffhanger features a pinched front end and a dove-tailed rear end for maximum tire clearance while still maintaining a true-to-scale appearance.
